Cancellations will be honored up to 3 days prior and will be subject to a \$5 administrative fee.

Speakers: Anne Schweighardt, PharmD, BCPS · Associate Professor · St. John Fisher College Wegmans School of Pharmacy
Fang Zhao, PhD · Professor · St. John Fisher College Wegmans School of Pharmacy

Learning Objectives: At the completion of this activity, the pharmacist and pharmacy technicians will be able to:

1. Explain the typical patient care needs for crushing and manipulating an oral solid dosage form.
2. Describe the gaps and missing information in the ISMP Do-Not-Crush list
3. Identify the potential risks when crushing an immediate-release (IR) oral medication
4. Describe the checklist of factors to consider when assessing the crushability of an IR oral medication; provide the suitable references for each factor
5. Apply the checklist to analyze the crushability of an IR oral medication and make an appropriate recommendation

For additional information, questions or concerns please email wsopcpe@sjfc.edu

St. John Fisher College Wegmans School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Conference Release/Consent:

SJFC may take photos/videos of attendees throughout the conference. These photos/videos are for SJFC use only and may appear on the SJFC website, newsletter, conference brochures, social media outlets, or other future SJFC promotional material. By virtue of your attendance, you agree to usage of your likeness in such media. In addition, de-identified polling or survey questions and answers may be used for research or accreditation purposes. Please email Robin Stuart-Buttles with any questions or concerns.

Privacy and Confidentiality:
