

HALLUCINATIONS AND DELUSIONS ASSOCIATED WITH DEMENTIA-RELATED PSYCHOSIS

Understanding the Prevalence, Neurobiology, and Consequences

Objectives:

- Understand the prevalence of hallucinations and delusions across the dementias
- Gain insights into the potential burden and consequences of neuropsychiatric symptoms—including hallucinations and delusions—for people with dementia, their caregivers, and society
- Enhance knowledge of the proposed neurobiology of hallucinations and delusions across the dementias
- Recognize the unmet medical need for people experiencing dementia-related hallucinations and delusions

PRESENTED BY

Horacio A. Capote, MD
Medical Director
Division of Neuropsychiatry
DENT Neurologic Institute
Amherst, NY

Paid consultant of ACADIA Pharmaceuticals Inc.

at 856-287-4996 or email rmaruca@ACADIA-Pharm.com.

Please note: This program is subject to cancellation.

ACADIA Pharmaceuticals is pleased to sponsor this disease-awareness program, which is intended to provide information consistent with industry guidelines. This program is not an accredited CME program and is not designed to meet any training and/or educational requirements. In accordance with the PhRMA Code on Interactions with Health Care Professionals, attendance at this educational program is limited to only health care professionals (physicians, nurse practitioners, physician assistants, RNs, clinical pharmacists, social workers). Accordingly, attendance by guests or spouse is not permitted.

To comply with certain federal, state, and local laws that prohibit or limit the provision of meals to health care professionals and/or state employees, ACADIA Pharmaceuticals does not offer a complimentary meal to individuals who are subject to such restrictions. Attendees to whom such restrictions apply should not avail themselves of the complimentary meal. Please note that ACADIA Pharmaceuticals is required to report the value of a provided meal pursuant to applicable federal and state laws.

This invitation is non-transferrable.

Please see ACADIA Pharmaceutical Inc.'s Privacy Policy at <https://www.acadia-pharm.com/privacy/>.
